

PLEDGE CARD

What Should I Give?

It would not be possible to achieve your personal giving goals, nor this church-wide endeavor, by asking each person to give an equal amount. Life circumstances vary, and giving is a personal matter between you and God. Keep in mind, this is a three-year pledge. There are various ways to give and all gifts are greatly appreciated. Only through prayer and thoughtful consideration can each of us discover how God desires to use us at this special time in the life of the church. Please do not make your gift decision based solely on what you think you can afford. Instead, take this opportunity to grow in your personal faith and involve God in your giving decision.
